*Edy is an excellent companion for an older home looking to enjoy a friendly canine companion.*

Edy is a sweet senior beagle, approximately 9 years old, who was turned into a local shelter when a woman found her wandering alone in the park. It is quite clear to the staff at RBARI that all Edy wants in life is a nice cozy bed, as she spends her time snoozing away in the comfort of a big blanket! ☺

Edy is happy to stretch her legs and greet adopters at the front of her kennel, and she'll never turn her nose up at a walk. Edy can occasionally be a vocal little lady as she likes to

“talk” to her visitors and often sings for the staff! It really is quite endearing! She will make a great companion for a lucky adopter willing to open their home to Edy. Please come meet her at the shelter.
